Letter of Recommendation

To Whom It May Concern,

This is to certify that **Mr. Neeraj Mudunuru (Intern ID: 54a11d146bba9e51)** successfully completed the **Cyber Security and Digital Forensics Internship Program** conducted by **Cyber Secured India** as part of the **April - June 2025 batch**.

During the internship, **Mr. Neeraj Mudunuru** demonstrated sincere commitment, enthusiasm, and a strong interest in the field of cybersecurity and digital forensics. He actively participated in the assigned learning activities, practical exercises, and theoretical assessments throughout the program.

His performance was particularly commendable, as he secured an overall score of **92.81% in the Practical & Theory Assessments**, reflecting his strong understanding of cybersecurity concepts, technical aptitude, analytical abilities, and dedication towards the successful completion of the internship program.

Throughout the internship, **Mr. Neeraj Mudunuru** displayed a keen ability to understand and apply technical concepts, approach assigned tasks with diligence, and maintain professionalism in his work. His performance reflected a strong foundation in cybersecurity and digital forensics, along with a willingness to learn and develop his technical skills.

Based on his performance and conduct during the internship, I am confident that **Mr. Neeraj Mudunuru** possesses the dedication, technical aptitude, and learning ability required to excel in future academic and professional endeavours. I believe he would be a valuable addition to any organization or academic program he chooses to pursue.

I wish **Mr. Neeraj Mudunuru** all the very best in his future career and academic pursuits.

Sincerely,

Nikhil Mahadeshwar

Founder, Cyber Secured India
